Program Option Selection

By signing this Agreement, the Artist confirms their enrollment in one (1) of the following Voice-to-Vision Program options, **selected in this online application**:

Bring-Your-Own-Song Option — Base price \$1,399 CAD, includes two (2) 90-minute virtual Co-Creation sessions.

Develop-Your-Song Option — Base price \$1,999 CAD, includes three (3) 90-minute virtual Co-Creation sessions.

The selected option determines the number of included sessions and overall Program scope. All other stages, deliverables, and policies remain identical for both options.

The Artist's selected option will be indicated by checking the appropriate box above or will otherwise be confirmed on the invoice or e-signature form accompanying this Agreement.

Refunds

- If, **after attending the first session**, you decide the Program is not a good fit, you may request a **full refund** by notifying Ranova Sound **at the end of that session or within 24 hours**.
- If you cancel **after the first session but before a studio session is booked**, you will receive a **partial refund** equal to your payment **minus \$300 CAD**.
- Once the studio session is booked, **no refunds** will be issued.
- Additional or extra sessions beyond the base inclusions are charged at **\$80 CAD per hour**, invoiced and payable prior to scheduling each session.

Because this is a **custom, creative service**, the work is considered rendered once the first session begins, and chargebacks will not be honored.

5. Revisions & Creative Boundaries

5A. General

- Revisions are defined as **reasonable changes within the same song direction**.
- Major creative redirection or development of a new song requires a new agreement.
- Once the included sessions are completed, any additional time is billed at **\$80 CAD per hour**.

- Ranova Sound will make every effort to ensure your satisfaction; however, **creative differences are not grounds for refunds.**

5B. External Collaborators & Additional Services

- From time to time, achieving the Artist's creative vision may require the involvement of additional professionals such as session musicians, vocalists, toplineers, instrumentalists, engineers, or other creative specialists ("External Collaborators").
- If such services are requested or deemed necessary by mutual agreement, Ranova Sound will assist in coordinating and contracting these collaborators.
- Any fees, retainers, or costs related to External Collaborators are not included in the base Program price and will be quoted and billed separately. Payment for these additional services is due prior to scheduling or commencement of the related work.
- All External Collaborators engaged under this Program operate as independent contractors, not employees or partners of Ranova Sound. Ranova Sound shall not be held liable for any delay, performance issue, or outcome associated with these collaborators, though the company will make reasonable efforts to ensure professionalism and quality.
- If an External Collaborator contributes creative content (such as lyrics, melodies, instrumental performances, or compositions), their participation and ownership rights will be documented through a separate split sheet or contributor agreement provided to the Artist for transparency.

6. Intellectual Property & Credits

- You own the **final master recording.**

- Songwriting / composition ownership (which is distinct from the ownership of the final master recording) is defined by the **split sheet** among collaborators.
 - Ranova Sound retains a **perpetual, worldwide, royalty-free license** to use project materials (audio, photos, videos, and written testimonials) for promotional purposes, including portfolio displays, social media, and website features.
 - Credits: Individual contributors are credited personally (no “Ranova Sound” credit line required). Ranova Sound may refer publicly to the work as “Produced through the Voice-to-Vision Program.”
-

7. Promotion, Confidentiality & Likeness Consent

7A. General

- You grant **Ranova Sound** permission to use your **name, likeness, voice, and recordings** for promotional materials unless you opt out in writing **before final masters are delivered**.

Artists may opt out at any time **before public release of any promotional content** featuring their likeness.

- Sessions may be **audio- or video-recorded** for promotional, quality-assurance, and internal training purposes.

Recordings will be stored securely and used only by authorized members of Ranova Sound and its contractors.

- Confidential information — such as unreleased music, private communications, or personal matters — will remain confidential and not be shared outside the purposes described above.

7B. Display of Credits & Keepsake Imagery

As part of the Program's final deliverables, the **Voice-to-Vision Record Keepsake** will feature **engraved or printed details** such as:

- the Artist's name,
- the song title,
- the recording date, and
- the names of collaborators involved in the project.

By signing this Agreement, you acknowledge and consent to these details being permanently displayed on the keepsake.

You also grant **Ranova Sound** permission to photograph or film the keepsake — including visible names or engravings — for use in promotional materials, portfolios, social media, and other marketing content related to the Voice-to-Vision Program.

If you prefer that your name or likeness not appear in promotional imagery featuring the keepsake, you may opt out in writing **before the public release of such content**.

8. Liability & Disclaimers

The Voice-to-Vision Program is an **educational and mentorship experience**. Ranova Sound makes no guarantee of fame, label placements, or commercial success.

Ranova Sound's total liability for any claim arising out of this Agreement is **limited to the total amount you paid** for the Program.

Ranova Sound is not responsible for:

- Travel or accommodation costs,
 - Third-party studio or vendor cancellations, or
 - Loss or corruption of files after delivery of final assets.
-

9. Governing Law

- This Agreement is governed by the **laws of Ontario, Canada.**
Any disputes will be resolved in the courts of Ontario.
